ATTN: Chief, Administrative Staff, FBIS
Chief, Engineering Staff, FBIS
FROM : Electronic Technician, Hokkaido Bureau, FBIS

DATE: 1 July, 1964

SUBJECT: Equipment and Facilities Report

1. The following developments regarding bureau equipment and facilities are brought to your attention:
 - (a) Two teletype Line Counters were received from headquarters and have been installed on both model 28 ASR machines. Initial results indicate the Line Counters will greatly facilitate teletype operations.
 - (b) Repainting of the exteriors of FBIS quarters (housing) has been completed.
 - (c) The conversion of FBIS quarters 929A and 929E into a three-bedroom unit commenced in early June and has been completed.
2. The following item has been received and entered into bureau non-expendable property accountability records:

Lawn Mower, power, reel type with grass catcher. Ser. No. 310-03500, Craftsman Twenty-One.
3. The following item has been dropped from bureau non-expendable property records due to integration into Model 28 KSR teletype machines:

Motor, Series Gov., Mod. LMU-4, quantity two. Ser. No. 264958 and 264959.
